

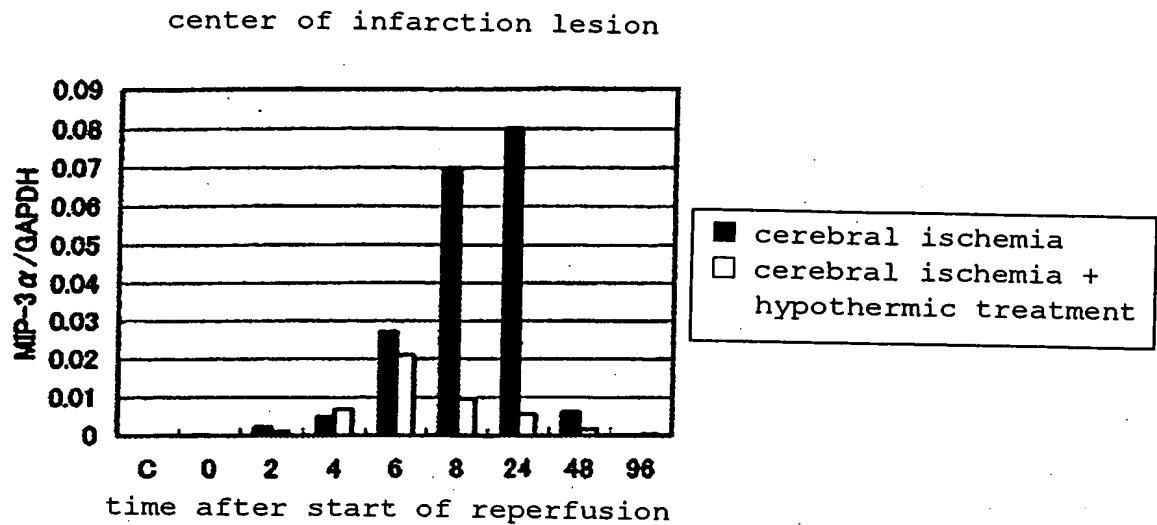

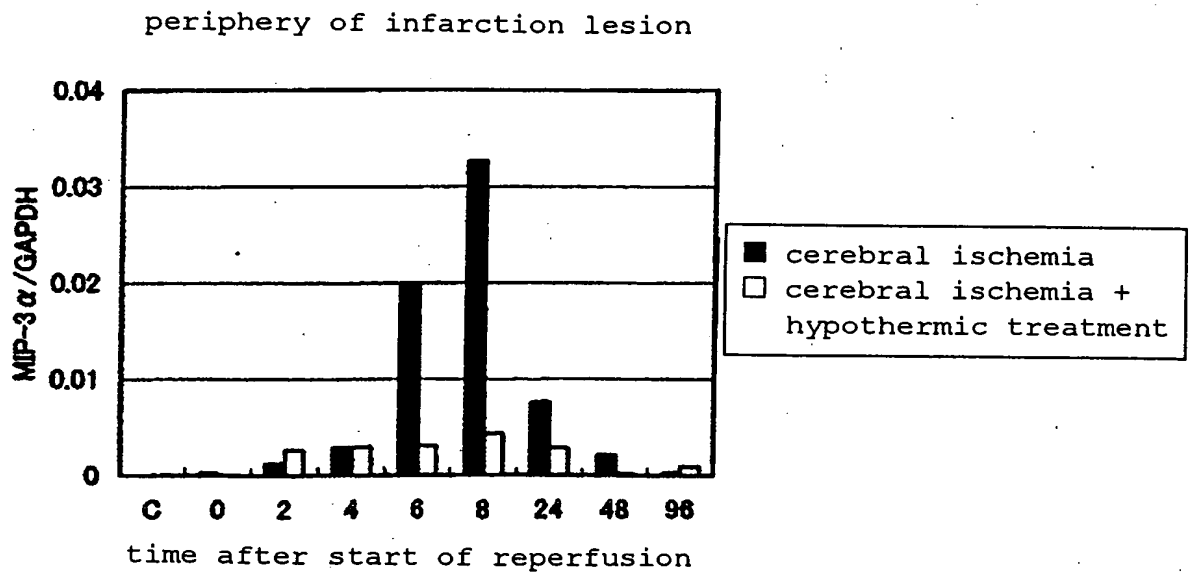

FIG. 1

A

\* C: control, cDNA derived from brain of untreated rat

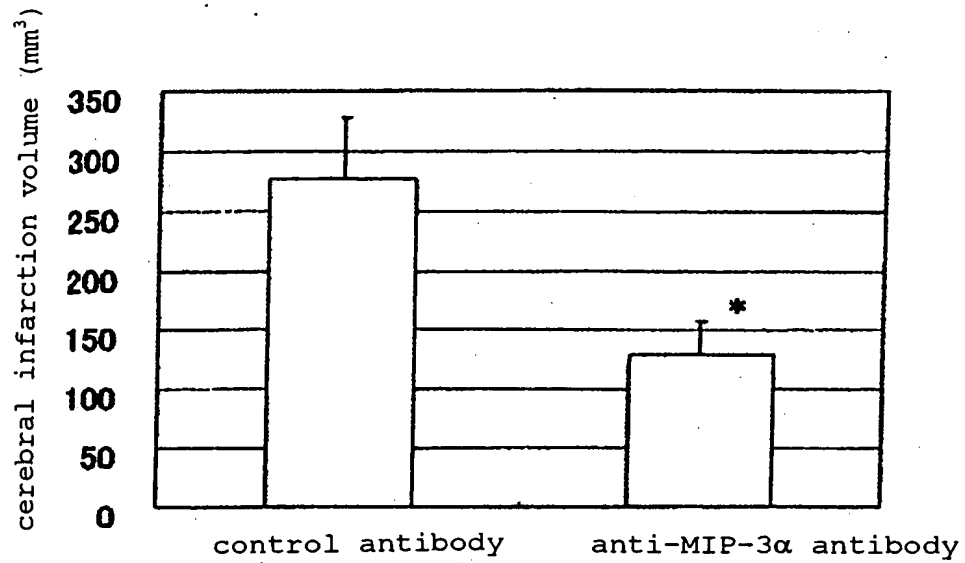

B

\* C: control, cDNA derived from brain of untreated rat

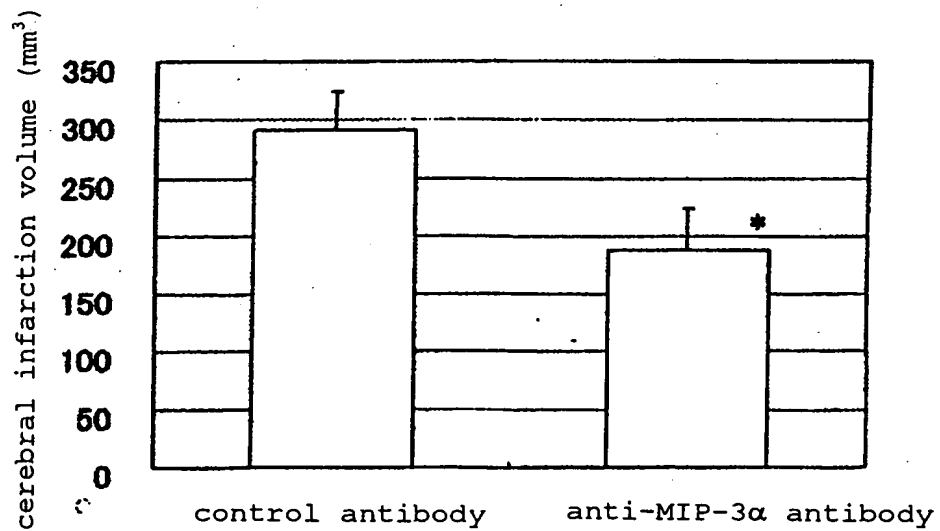

FIG. 2

A

\*  $P < 0.05$ : versus control antibody group  
(in Student's t-test)

B

\*  $P < 0.05$ : versus control antibody group  
(in Student's t-test)
